Back by popular demand! Inspired by a hot flush and a bottle of wine, Jeanie Linders created *Menopause the Musical* as a celebration of women who are on the brink of, in the middle of, or have survived 'The Change'. Since its first performance, the show has evolved as a 'grassroots' movement of women who deal with life after 40 and all the challenges they conquer mentally, physically and spiritually.

Maybe the attraction is the songs that everyone grew up with - *The Great Pretender, Only You, The Lion Sleeps Tonight, Stand by Your Man, I Will Survive* and 20 more - all sung with gusto and all with their 'new' lyrics. Or maybe it is the realisation that there is a wonderful life waiting after 'The Change.'

Come and see for yourself. We guarantee that you will leave the theatre uplifted and joyful.
